Therefore, this scheme has been started in our college for the last 14 years. As per the rules of the university, Prof. R. M. Ambekar has been appointed.

A total of 49 students, 37 girls and 12 boys, have been selected for the Earn and Learn Scheme in the academic year 2019-20. It mainly selects students from poor, budding, needy, hardworking and low income groups. The scheme has helped the needy and deserving students in the local rural and tribal areas to meet the cost of education from the money earned from their work. The students worked honestly in this scheme by doing their regular hours and taking care of their studies.

Through this scheme, the students will be provided cleanliness in the college premises, library, office, laboratory and gardening as well as arrangement of books and periodicals in the library. Important work has been done. The scheme covers the period from July 2019 to February 2020. While giving this work, honorarium has been paid to the students as decided by the Student Development Board of the University.

This scheme helped the students to understand the importance of earning money and labour. It is seen that the self-confidence of those who learn through hard work has increased. Hon. Principal Dr. P.
