A REPORT OF SEMINAR ON

BIODIVERSITY CONSERVATION-IMPORTANCE AND HEALTH

A Two Day state level seminar on **Biodiversity conservation-Importance and health** on 10Th and 11Th January 2019-2020 was held at MVP Samaj's, Karmavir Punjababa Govardhane Arts,Commerce And Science College Take -Ghoti, Igatpuri.The seminar was sponsored by BOD,Savitribai Phule Pune University and organized by Zoology Department Igatpuri.

First of all ,I am indebted to the God for giving me an opportunity to exceed in my efforts to complete this seminar on time. I am extrimely grateful to Dr.P.R.bhabad, Principal of K.P.G.Arts,Commerce And science College ,Igatpuri For providing the required resources for the succesful completion of the seminar. I express my thanks to all staff members and friend for all the help and coordination extended in bringing out this semiar succesful in time.

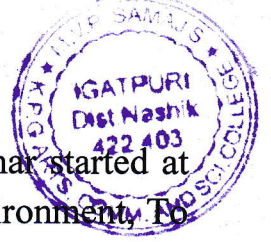

The idea behind having such a seminar was to guide the student ,Teachers, Professor and all other peer group about the importance of the diversity of life around us and their medicinal value, pollution cause by human activities and their impact on the life ,how we can reduce pollution of air, water, soil, plastic, the diverse life form around us, sustainable use of resources, etc.

It is therefore very essential to have well learned gathering of scholar of surrounding colleges and university,who could discuss and deliberate the possible implication of such problem. This provide ample scope for intellectual interaction.

The seminar was inaugurated at the hands of Dr. Vaishali balajiwale, Editor Daily Deshdoot, Nashik and Hon.Er.Bhausahab khatale,Director of MVP Samaj's Igatpuri college by lighting the lamp.Mrs.Jyoti Rajput Asst.prof of Zoology gave the welcome speech and welcome the Chief guest, Chief patrons, Speaker, Professor, participants and student.

Prof.Chourasiya K.K. delivered an introductory speech as i was the Coordinator of the seminar and welcome all the speakers and Hon.guest Er.Bhausahab Khatale,Director of Igatpuri and all the participants on behalf of the institution and K.P.G.college,Igatpuri. I also explained the purpose behind organizing the seminar.

Hon.Er.Bhausahab khatale,Director of Igatpuri college,in his inaugural speech expressed his view about the Importance of every life around us and on this planet and how we should conserve and protect each and every life as well as prevent and control the pollution of air, water and soil.He also thank our college for organizing such kind of seminar and spreading awareness

among the society .

During the first day (10Th Jan) of the programme ,the first session of the seminar started at 11.00 am. Dr. Vaishali Balajiwale gave information about the importance of environment. To be humble to animal as they are part of ecosystem, importance of eater for survival of all living organism, we should plant tree near our surrounding and take care of them, avoid plastic and food wastage, we should segregate dry and wet waste at home, at the same time we should be the agent of change.

The second session was conducted by Dr.Ravindra Jaybhawe. He provide best knowledge about restoration of biodiversity and preservation of biodiversity,Importance of geographical land in the habitat of organism and how different geographical condition have a effect on life of organism.

After the lunch break the Third session began with the lecture of Dr S.A.Khairnar.He provide valuable information about diversity of western part of Satpuda.he gave knowledge about different medicinal plant in the forest of satpuda locality and their uses for medicinal purpose,diversity of plant,plant that can be used as biofuel as well as information about different toxic plant,types of food sources from Satpuda forest,etc.

The fourth session was conducted by Dr. Nilkhant Suryavanshi in his ,Head of botany department, K.V. Pendarkar college, Dombivali-Mumbai. He delivered a lecture on the extinction of plant life due to human activities and also on the important medicinal plant found around us and asked each one of us to plant the tree where ever possible and to take care of them until they become self sufficient.

After this wonderful session the HOD of Botany department Prof. Laxman Dede thank all the respected speakers on behalf of college, organizing organising committee, participants and asked the participants for any question regarding the topic and ended the first day session.

During the second day (11Th Jan) of the programme ,the first session of the seminar started at 11.00 am. Dr.Madhuri Pejaver gave information about habit and habitat of different life form present in the different lakes in Thane-Mumbai. How student from Mumbai university are doing research work on different field related to lake as well as a new concept of butterfly garden ,terrace garden ,beetle that form compost, Aquatic biodiversity from fresh water lakes and rivers, Reason for destruction of ecosystem of lakes, their consequences and its solution. Gave information on pollution of Musunda lake due to ganpati visarjan.

The second session before the lunch break was conducted by Dr. Balasaheb Gaikwad , HOD of Botany department ,K. J. Somaiya College, Kopargaon, Ahmadnagar. He delivered a very resourceful lecture on biodiversity conservation -Needs and Method. He gave a very resourceful lecture on biodiversity conservation -Needs and Method.He gave knowledge about the main threat to Biodiversity, Why we should conserve Biodiversity, services that we get from ecosystem, social and spiritual benefit of biodiversity, biodiversity conservation method(In-Situ and

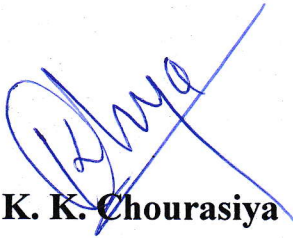

Ex-Situ),Uses of plant related to health benefit, Medicinal uses with respect to human

welfare .all things were presented with the help of beautiful images.

After the Lunch brake the Third session was conducted by Dr.R.N.Bhavre,Principal of K.G.D.M.College,Niphad.In his lecture he share his experiences about the harmful effect of pollution on the life of animal and how we should contribute toward the decreasing the pollution and save the life of not only other organism ,but our self also.

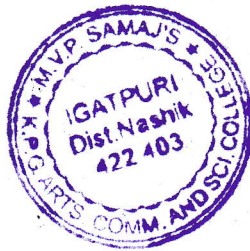

The fourth session was conducted by an eminent Herpetologist and environmentalist Mr.Jagdish Wakhale from Thakur college, Dombivali (E)-Mumbai. He gave information on various types of poisonous, semi-poisonous and non-poisonous snake. wealth of forest of Sanjay Gandhi national Forest of Borivali as well as put light on biodiversity of India, its losses and initiative taken by government of India for its conservation. How to spread awareness about plant and animal. Information on reptiles, their importance and conservation.

In the valedictory speech coordinator of the seminar Prof. K.K.Chourasiya on behalf of the MVP samaj's-KPG college thanked all the speakers, professor, participants and the student who took part in state level seminar for two day and extended a very hearty vote of thanks to the honourable delegates who blessed us with their presence and to kok out valuable time of their busy schedule. He also mention sense of appreciation for Mr. Jagdish Vakhale for his valuable work in rescuing the life of the snake in thane district. Once again he thank all the Participants for patiently listening the speakers on various topics.
