Report of "World Ozone Day"

Date: 16<sup>th</sup> September, 2022

### Introduction

On 16<sup>th</sup> September 2022, Department of Geography had organized the one day programme to celebrate "World Ozone Day". Chief Speaker Prof. N.B. Borse, chief guest Dr. B.C. Patil Department of economics and Prof. N. S. Bombale from geography department was present, along with 46 students from B.Com and B.A faculty.

### Inaugural programme

Inaugural programme started at 08:30 in the seminar hall at the beginning Prof. N. S. Bombale welcomed the students and given the brief introduction about the occasion. Prof. N.B. Borse welcomed Dr. B.C.Patil as well as student.

### Speech by the Prof. N.B.Borse & Dr. B.C.Patil

The gave the speech on the importance of the Ozone Day he said that, "world ozone day is observed on 16th September every year to spread environmental awareness among the student and people from the society about depletion of Ozone layer and find out the possible solutions to conservation. He said the ozone layer protects the the earth surface from the Ultraviolet rays of the sun. He explained Ozone layer made up of three atom of the oxygen. it is highly reactive gas and represent by O<sub>3</sub>. this layer occurs in the stratosphere and troposphere from 25-35 km above earth surface. Then he spoke about the why ozone depletion is happening because of the mostly human activities e.g manufactured chemicals, especially manufactured halo carbon refrigerants, solvents, propellants, and foam-blowing agents (chlorofluorocarbons HCFCs, (CFC's), (Halon s). Since the early 1970's, scientists observed decrease in stratospheric ozone and it was found more prominent in Polar Regions". Dr. B.C. Patil express his thoughts on this occasion and said, " environment protection is the need of today's era, we should start our efforts from home".

### Students Activity

Students prepared the small posters and writing articles on the occasion of the day to create awareness about the ozone day to protect it.one group of the student planed to tree plantation activity in the their villages as well as college campus.
