FOOD GRAIN COLLECTION ACTIVITY REPORT

On the occasion of World Food Day on December 16, 2023, at K. P. G. Arts, Commerce, and Science College, Igatpuri, a ten-day program was implemented under the guidance of Principal Dr. Kiran Rakibe. This initiative aimed to help the poor and needy in our Tehsil, including Adivasi-pade, Ashramshala, and Vrudhashram. All students of our department were asked to bring two to five kilograms of rice and wheat each.

Respected Sarchitnis, Adv. Nitin Thakare, and Hon. Adv. Sandip Gulve, the director of our Igatpuri Tahsil, were present at the event. Hon. Sarchitnis of M.V.P. Samaj, Adv. Nitin Thakare, spoke about the importance of World Food Day, highlighting that every minute; two people die due to malnutrition in our country. Despite an average of three people per household, food is often wasted after cooking too much. When parcels are brought from hotels, the vegetables at home are often ignored. This food wastage is significant, with about 40 percent of food grains and fruits produced being wasted due to rotting or spilling. Therefore, sincere efforts are needed to prevent food wastage.

Many activities are being implemented to address this issue. Various college social workers and voluntary organizations are running activities to prevent food wastage. Some organizations collect leftover food from hotels and distribute it among the hungry poor, ensuring the cooked food does not go to waste but reaches the mouths of the needy. I am proud that this is the first time such a scheme is being implemented in our university. We collected 40 quintals of wheat and rice.

The Principal of our college, Dr. Kiran Rakibe, spoke about the importance of World Food Day. Many countries in the world are currently below the poverty line, and people in these countries do not get a balanced diet, leading to malnutrition. Due to a lack of balanced and nutritious diets, people are prone to many diseases. The day is celebrated with the aim of eradicating malnutrition and raising awareness about balanced and nutritious diets. We should also visit the Pada in our Tahsil and help them, celebrating the day with the participation of students, all staff members, and others from our department.

From various departments, contributions were made: 78 kg from the National Student Corps, 50 kg from the National Service Scheme, 35 kg from the Sports Department, 40 kg from the English Department, 40 kg from the Political Science Department, 60 kg from the Higher Secondary Junior College, 30 kg from Mr. K.K.Chaurashiya of the Zoology Department, 10 kg from the Library Department, 37 kg from the Mathematics Department, and 30 kg of rice was given in memory of my mother name Let. Mrs. Muktabai Tukaram Jadhav, by Dr. Santosh Tukaram Jadhav (Geography Department).

In total, 333 kg of rice and 150 kg of wheat were collected and donated to the Primary Ashramshala and Vradhashram as per the institute's orders.
