Remedial Teaching
Academic Year 2023-24

Report

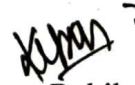

During the academic Year 2023-24, the Department of English conducted a 10-day Remedial Teaching Program for first-year Bachelor of Arts students. The students who failed the Compulsory English subject in Semester 1 aimed to enhance their proficiency in essential English language topics. The program covered Articles, Parts of Speech, Tenses, Sentence Structure, and Transformation of Sentences, and was designed to improve students' understanding and performance. The programme was scheduled from 18 January, 2024 to 30 January, 2024. Over the course of the program, the selected topics were taught by the faculties. The outcome of the program was highly positive, with students showing improved understanding, enhanced performance, and increased confidence in using English. Most participants passed their semester exams in Compulsory English, demonstrating the effectiveness of the program. To ensure continued progress, follow-up sessions, continuous assessment methods, and additional learning resources are recommended. Total 31 students got benefitted from this programme. The programme's success was made possible by the dedication and support of faculty members, teaching assistants, and administrative staff.

Remedial Teaching Program Report
2023-24
Department of Mathematics

In the academic year 2023-24 in our college the Remedial Teaching Program was organized by the department of Mathematics for slow learners, especially those who failed in the first semester. The course has been recommended by IQAC. The program was scheduled from 11th to 19th March 2024. Mr. G. T. Sanap, Smt. M. M. Khairnar had taken the lectures. Near about 18 students were participated in the program. The program is proved beneficial for students.
