This Memorandum of understanding (MOU) sets for the terms and understanding between the (partner) and the (partner) to (insert activity)

Background:

RED RIBON aims at creating awareness among the people HIV-AIDS. As the disease has been very harmful and dangerous for the entire humanity, it has been our sincere efforts to propagate the knowledge and the precautions to be taken care of to avoid the infections of this deadly disease.

The college students play very significant role in spreading the knowledge about this disease through the medium of different type of programmes for examples street play. Dramas, one act play etc.

Purpose

The sacred purpose of this programme is to save humanity.

- ✓ The above goals will be accomplished by undertaking the following activities.
- ✓ To organized guest lecture to spread awareness among the students.
- ✓ To conduct rallies in the small villages of tribal areas.
- ✓ To hold HIV check-up camp in the college for college students
- ✓ To hold haemoglobincheck-up camp in the college for college students.

Reporting:

The college IQAC committee will assess the agreement.

Funding:

The RED RIBON CLUB gives the require fund along with the college share.

Duration:

The Awareness programme of HIV AIDS at beginning from June, 2024 and continues to be five years. This MOU is at will and may be modified by mutual consent of authorized officials from (list Partner). This MOU shall become effective upon signature by the authorized officials from the (list Partner). And will remain in effect until modified or terminated by any one of the partners by mutual consent. In the absence of mutual agreement by the authorized officials from (list Partner) this MOU shall end on (end date of partnership).
